TWINKLE TWINKLE STARS of ALIA SCHOOL

Star of the Month is a project to encourage and motivate the students to work harder in their studies and to develop good discipline as well. Whoever gets more star stickers under his or her name among the three grade levels, emerges the winner. The teachers observed that there was a remarkable improvement in the children's study habits and behavior – so they put up the STAR of the CLASS award too. Monthly, Ms. Samira, our principal awards the winners during the Assembly Time.

Comments from the children:

I wish to be the Star of the Month too.
I hope to be awarded on graduation day
I like receiving the trophy too.

CONGRATULATIONS!
